TRACKS BLOOD ALCOHOL CONTENT IN SECONDS

## The BACTRACK Select S50 Now Available for Personal and Professional Use

The BACTRACK Select S50 is a handheld, battery-operated breathalyzer that quickly and easily screens for the presence of alcohol. Every test provides a BAC estimate using advanced alcohol sensing technology. And while the S50 employs advanced features suitable for professional use, its simple operation also makes it perfect for personal use.

The BACTRACK Select S50 comes with individually wrapped replaceable mouthpieces. Simply attach a mouthpiece, press power, and begin testing in a matter of seconds.

The S50's proprietary FlowCheck feature ensures that a continuous deep lung air sample is taken every test. This maximizes accuracy and reliability.
